

VACANCY NOTICE

POSITION AVAILABLE AT BIOFOUNDRY, ICGEB, NEW DELHI

Project Associate I: Yeast Engineering (1 Position)

Qualifications: M.Sc./MTech in Biotechnology or a related field

Salary –

The Department of Biotechnology (DBT), Govt of India, has funded a Biofoundry project at ICGEB to perform AI-ML-guided strain engineering of yeast and E. coli. The following position is available for the project initially for one year, which may be extended further based on the performance and the project's tenure. This is a temporary project position whose durations are only up to the tenure of the DBT-funded project.

Job Summary: The candidate will be responsible for executing molecular biology and biochemical experiments related to the development of genetically engineered yeast strains and the bioprocess development of engineered yeast strains for product formation.

Interested candidates should email their latest curriculum vitae and cover letter (Cover letter must mention pertinent skills) with a detailed description of relevant experience to icgeb.biofoundry@gmail.com with **Subject “Application for <Project Associate I > Biofoundry”**. Only short-listed candidates will be contacted for an interview.

Closing date for applications: 16 February 2026

Salary – Rs 31,000 per month + HRA
